

HYGIENE CONCEPT FOR COSMETICBUSINESS 2021

SAFETY AT TRADE SHOWS

Admission only **for vaccinated, recovered or tested persons.**

- Tested: negative test result (Antigen test not older than 24 hours; PCR test not older than 48 hours)
- Self-tests are not permitted

All persons entering the exhibition grounds will be fully registered to ensure contact traceability. **Tickets** are only available **in advance and online** via the ticket shop.

Please **maintain a minimum distance** of 1.5 meters throughout all areas of the exhibition grounds. We have planned enough space in all areas to allow for social distancing. (Lecture rooms, aisles, catering facilities, etc.)

All persons are currently required to wear a medical mask throughout **all indoor areas.** In meetings, masks can be taken off if minimum distance can be kept or transparent partitions are provided.

ON THE EXHIBITION GROUNDS

Constant air exchange ensures an increased volume of fresh air in the exhibition halls and conference rooms.

Hand sanitiser dispensers can be found throughout the entrance and exit areas as well as in the washrooms.

Washrooms, surfaces and equipment are to be cleaned and disinfected continuously.

Contactless payment is possible in several areas. Many of the checkouts are equipped with EC/credit card terminals.

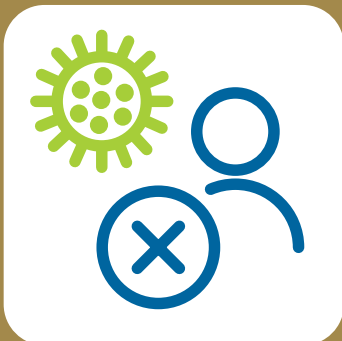

ON THE EXHIBITION GROUNDS

Information and checkout counters are fitted with transparent partitions.

Medical stations are staffed with qualified medical personnel.

Entry is prohibited for people with a proven SARS-CoV-2 infection and suspected COVID-19. Please stay at home with unspecific symptoms that indicate a SARS-CoV-2 infection.

Specific hygiene concepts apply **for catering**.
